Request For Proposal No. GECOM-RFP-26-001

Research Services: Development Of The Guam Ethics Commission Trust Meter

GECOM'S Official Response to Questions Received for this Solicitation

1. Is there a page limit for the proposal?

GECOM Response: There is no specific page limit requirement for the proposal submission.

2. Will all government agencies (line, autonomous, semi-autonomous) be included in the assessment of public sentiment and community trust?

GECOM Response: Yes, all relevant government agencies, including line, autonomous, and semi-autonomous entities, will be included in the assessment.

3. Is there a budget for this project?

GECOM Response: Yes, the commission has a designated budget specifically for this project and GECOM will negotiate total costs with the highest qualified offeror.

4. Will the creation and upkeep of a dashboard be required to track the levels of trust over time?

GECOM Response: No, the development and maintenance of a dashboard to monitor trust levels over time will not be required.

5. Section 33. C-4 (Technical Proposal, Related Project Experience) states that "...experience with educational and/or instructional videos preferred and should be highlighted." There is no mention of developing videos in the Scope of Work or the Evaluation Criteria. Will this be a required task?

GECOM Response: No, it is not a required task for this project, and will not be used in the evaluation of any proposal.
